THE SOCIETY OF
LEGAL SCHOLARS

**DR METKA

ORDINARY MEMBER

JOINED 2018

**Senior Lecturer in Law,
University of Wolverhampton**

WHY DID YOU JOIN THE SLS?

I joined the SLS as the largest membership organisation in the UK for law scholars. My interests are to connect with other legal scholars in the UK, identify potential collaborators and receive additional SLS support (with events, research funding).

BENEFITS

Attending annual conferences (and presenting twice in them). Receiving funding from the Research Activities Fund, with the flexibility of extended research funding during the Covid-19 pandemic. Access to a range of online events, of varied relevant themes.

SLS INVOLVEMENT

Constituency Representative since 2022.

"The SLS is a UK-wide network of law researchers and academics, which also offers a range of relevant events. The SLS and its Annual Conference is a good way of meeting scholars in your area, or in areas, which you might not have been previously active. Furthermore, the SLS offers research funding (for research or events), which can make a significant difference to your research."
